

BASF Voluntary Recall: Certain 20 L containers of Revystar® Fungicide and Stomp® Xtra Herbicide

BASF is voluntarily withdrawing certain 20-litre Agricultural Solutions products due to a packaging defect that does not comply with dangerous goods standards.

The defect is limited to the packaging only and does not impact the product quality or formulation. BASF will work closely with channel partners to minimise potential disruptions and manage the return of all impacted stock.

Please find below details of how to easily check if the product is part of the recall.

1

Check the product name and pack size:

Revystar® Fungicide, 20 L
Stomp® Xtra Herbicide, 20 L

2

Check container production date:

Impacted containers list a production date between February 2025- January 2026 (displayed on the back of container under label)

3

Check batch number:

Check the product is from one of the following batches:

Revystar® Fungicide, batch numbers: 29096597, 29096598, 29096604, 29096605

Stomp® Xtra Herbicide, batch numbers: H150FB0525, H946AP0125, H943MY1925
